• ACTIVE 20-30 MISSION AND CODE •

Mission Statement:

"Providing young adults with an opportunity for personal growth, friendship and leadership development while improving the quality of life for the special needs children in our community."

Active 20-30 Code:

"With the productive years of my life before me, and ambitions and ideals to be realized, I accept the following principles necessary in their attainment: To show proper appreciation for my community, and to do everything in my power for its growth and development; to recognize that friendship is reciprocal, and that friendly cooperation is the foundation of society; to offer sincere service to the Active 20-30 Club, and to fulfill, to the best of my ability, any task that the organization may assign me."

President's Message

Dear Activians,
Here we are officially one year after the Covid 19 pandemic began. I know this has been a tough year for everyone but I couldn't be more proud of our members and clubs for continuously shifting with the times to help the children in our communities.
Your national board has been hard at work behind the scenes, and at the end of February just finished our first board retreat. It was a great opportunity for us to all be together and reflect on successes and failures as well as make plans and goals for the rest of the term.
I had the honor of installing our newest President of the Healdsburg #205 club earlier this month. Congratulations Jeana Barella :) and thank you for asking me to install you. I'm glad that in these unprecedented times we can still carry forward our traditions and work in a hybrid environment as we move towards normalcy in the future.
Convention registration is now open and I look forward to being with those of you that feel comfortable to be in person in Tucson in June.
As I reflect over this term, it may not be everything I thought it would be or everything you thought it would be, but we should all be proud of how much we have accomplished and how many children we have served. When everything is said and done, the children in our communities will need us more than ever and we will be ready to step up and do what needs to be done.
Once again I can't tell you enough how much I appreciate each and everyone of you and what an honor it has been to be your president this term. Thank you for being part of this organization. #BeActive

> ONE NEVER STANDS SO TALL AS WHEN KNEELING TO HELP A CHILD

Sacramento #1 : Golf Event

On April 16th, the Sacramento Men's Club is hosting a golf event in Land Park. This event is raising money for Comfort Cases. A Comfort Case gives a child entering foster care a sense of dignity and hope. Each is packed with a cozy new pair of pajamas, a stuffed animal to hug, a toothbrush, soap, and other personal care items. The gift of these simple items tells a child, you matter.

If you are in the area and would like to play, check out the information below.

AWARDS

We are excited to share the 2019-2020 Awards Packet for awards to be presented at AGM in June 2021. Please note that there is overlap between the 2020 award submission and the 2021 award submission due to changes made by the committee in collaboration with National.

2020 was a difficult year and we wanted to give clubs another chance to submit for awards. The Award Packet can be found on the active-20-30 website under Resources.

A few things I want to highlight for you: Please use this email address: 2030awardscommittee@gmail.com for any questions, concerns or technical issues you have with the awards submission process. This email will be regularly monitored.

DEADLINE FOR AWARDS SUBMISSION IS APRIL 15, 2021
The exception to this deadline is Pin; Shirt Design; and Speaker submission which do not need to be uploaded via Google Forms until June 4, 2021 with copies to be brought to convention for in person judging. You must declare your intention to submit your club scrapbook by June 4, 2021 as well but nothing needs to be uploaded. (Subject to change).
We are looking for Judges so if you are interested in judging the awards for this year, please email 2030awardscommittee@gmail.com. We need 1 judge from each region. Again, please do not hesitate to reach out to us if you have any questions.

GOOD LUCK!
Chelsea Pagan, Co-Chair, Awards Committee & Treasurer, San Jose #15

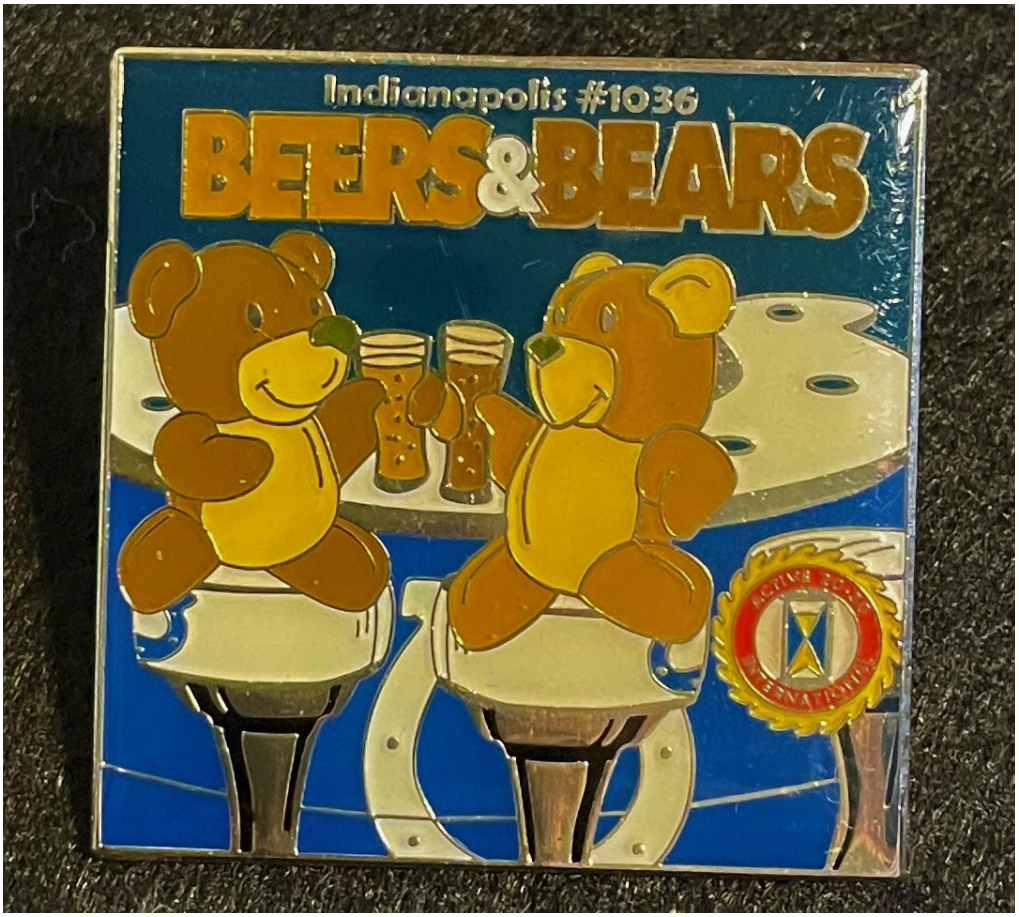
Pin It Corner

This month, we are showing off a pin from the Indianapolis #1036 club. I asked Trena Roudebush (past National President & past Club President) about the project this pin represented.

"We started Beers & Bears after hearing that many local police officers carried stuffed animals in the trunks of their car, often buying them out of their own pockets. They often distribute the stuffed animals when they encounter a child experiencing trauma - a car accident, removal from an unsafe home, etc.

We held, essentially, a stuffed-animal drive and NFL watch party at a local Indianapolis Colts-themed bar. We worked with the bar to do drink specials and give a beer to attendees who donated a stuffed animal. Guests could also make a $10 (or more) donation instead of a stuffie. We used that money to purchase more stuffies." Sounds like an easy fundraiser clubs could copy.



International Update

Project: Teletón
Club: Active 20-30 Clubs in Nicaragua
Teletón is an annual event supported by the Active 20-30 Clubs in Nicaragua in partnership with the Teletón Nicaragua Foundation. Teletón raises money for the rehabilitation of children, adolescents and youth with disabilities in its three rehabilitation centers, and promotes their rights and social inclusion. Teletón is a live television show through the official Telethon Network that unites presenters, national and international artists who fundraise throughout the event. This year, Teletón took place on February 19th.
In 2001 the first Teletón n was organized, joining this beautiful project with recognized and respectable personalities of the country, who voluntarily acquired the commitment to undertake this great project of love, respect and solidarity for children and youth with disabilities, under the motto "For your Capacity to Love".
